BIRDS, BIRDS, BIRDS!: A CHIRPING CHANT

By April Pulley Sayre
Illustrations by Gary Locke

Sixty-three North American birds flit, fly, and dive across the pages of this cheery chirping chant. *Bird, Bird, Bird!* Is the third book in NorthWord's famous "chant" series—all known for tongue-twisting, silly-sounding, say-it-faster fun! Zany caricatures of each bird present these feathered-friends in larger-than-life proportions. (You won't need your binoculars here!) After readers have mastered the chant, they can turn to the back to get the real scoop on each bird. Sayre takes bird watching to a whole new level!
